★★★★★ *"I love this hoe (#70F). It's the best I've ever owned. I have a small organic, minimal till farm, so I do a lot of hand hoeing. It's sharp - cuts the thistles, and other heavy weeds easily, but I can still hoe the smaller, delicate weeds coming up around my transplants. It's so sturdy and heavy that I can let the hoe do the work - not my back." – J. McCain, OR*
